Keeping A Rosy Complexion

And A Clear Smooth Skin What Millions Of Women Do.

Medical science says that each one of the billions of red blood corpuscles in your blood stream must have iron or your blood becomes pale, thin and watery. Your lips and checks also less their color, the wour stomach, kidneys, their color, the wour stomach, kidneys, liver and heart become weakened, your intestines do not act properly, poisons may be absorbed into your system and your skin thereby becomes rough and muddy looking; dark circles may appear under your eyes, your cheek and facial muscles and tissues shrink, holes. lows may appear, and you may even look several years older than you actu-ally are. To say the least, the freshness of your youthful beauty is gone.

It is estimated that at least one woman out of every three you meet lacks 100% from in her blood and is more or less effected thereby. In many cases in addition to the loss of their beauty, they become weak, nervous, unstrung and may be afflicted with melancholy or the blues, or suffer the terrible terrors of nerve force exhaustion.

Nuxated Iron is guaranteed in every case to furnish your body with true red blood food which your blood must have for you to be strong, healthy and vigorous. It is the iron in your blood that puts the color in your cheeks, helps clear up your skin and give the ruddy glow of health to your complexion. It has been used by millions of women.
